CITY OF PACIFICA - General Information / Fee Schedule

Business licenses are required of all businesses operating in the City of Pacifica. "Business" as defined in the Pacifica Municipal Code includes professions, trades, and occupations of all and every kind of calling.

Self billing application forms are used to convey the information required to issue a license and to determine the amount due.

Classifications have been determined through recognized studies of business statements. The percentage of net profit on net sales as reported by national average determines the placement by classification.

Realtors are not classified but are on a flat rate fee. A fee of \$100.00 per year is required to license a real estate office and the employing broker. An additional \$25.00 per salesman is required to license all other real estate salesmen and brokers affiliated with sales in Pacifica.

Renewal applications and fees (a result of the formula calculation - see below) are due and payable in advance on the first of November each year. Business license fees are considered delinquent on November 30th and a 10% penalty shall be added on November 30th and on the last day of each month that the delinquency continues. Penalties shall not exceed 100% of the original license fee.

Finance Department personnel will be pleased to help applicants for business licenses. Please telephone (650) 738-7392, or inquire at the Finance Department, 170 Santa Maria Avenue, Pacifica, California, 94044.

Your type of business (_____) comes under Classification _____.
MINIMUM FEE for this Classification is \$ _____ annually. On May 1st, the minimum fee is pro-rated to one-half through October 31st.

HOME OCCUPATION: When your business is operated out of your home, an application for a Home Occupation Permit plus a business license is required. A \$97.00 one-time fee is charged for the Home Occupation Permit. If you have any questions regarding the Home Occupation Permit, the Community & Economic Development Office Manager will be pleased to help you - call (650) 738-7341.

GENERAL INFORMATION: It is unlawful for any person to carry on any business, trade, or occupation in the City of Pacifica without first obtaining a business license. Each applicant must:

- a. Check with the Planning Division to determine if the location complies with zoning requirements.
- b. Complete the license application form.
- c. Pay requisite license fee based on estimated gross receipts. (MINIMUM \$40.00)**
- d. Pay \$110.00 inspection fee if a garage is used for a home occupation. Application is routed for inspections through Police, Fire, Health, and Building & Planning Departments for compliance with zoning, safety, health, fire and traffic hazards.

If the applicant has more than one business location in the City, separate applications must be filed for each location. Similarly, if more than one business operates at one location, each business must have a separate business license.

On presentation of application and fees, a receipt is issued to the applicant. **THIS IS NOT A LICENSE.**

After inspections, if required, have been made, and upon receipt of a satisfactory compliance report from all departments, a business license is then issued and mailed to the applicant, or money is refunded.
