STAFF COMMENTS:

Sergeant Londerville advised that there was no CEAP meeting in July and they would resume in August 2014.

Sergeant Londerville advised the commission that the idea of a “shaker house” for the Fog Fest was not an economically viable option this year. There was a significant cost to bring in this type of exhibit and it would require more coordination with the Fog Fest committee as to a location to set up.

Captain Spanheimer reported the City of Pacifica hosted a Red Cross shelter operations training on July 10, 2014. The training was attended by approximately 20 people including City of Pacifica employees, Pacifica School District, Jefferson Union High School District employees and CERT members.
