**FOR IMMEDIATE RELEASE**

## **San Pedro Creek Bridge Construction Update (State Route 1) Pacifica**

**San Mateo County-** The California Department of Transportation (Caltrans) and Pacific Gas & Electric (P G & E) will be performing a vault relocation on State Route 1 in the number 2 northbound lane, just south of Linda Mar Boulevard, beginning Wednesday, October 7, through Thursday night, October 8, between the hours of 7:00 PM to 6:00 AM.

October 9, Friday, northbound lane number 2 will be closed from 9:00 AM to 2:00 PM for the same work.

Work will take place between the bridge and Linda Mar Boulevard and will be completed before commute hours.

This work is part of the San Pedro Creek Bridge Replacement Project that started construction in May 2014. The project will install a longer and higher bridge over the creek to provide capacity for the 100-year flood event. In addition, a Class 1 multi-purpose path will be added along its eastern side.

This project will be completed by October, 2015 (weather permitting)

For the latest road conditions, try Caltrans Quick Map: <http://quickmap.dot.ca.gov>  
Or follow Caltrans on Twitter at: <https://twitter.com/CaltransD4>

You can go to the project website to be added to the group e-mail list or get more information on the project at: <http://www.dot.ca.gov/dist4/projects/creek/>

Caltrans appreciates your patience as we work to improve California's highways.
