Aircraft Noise is a critical health issue for many Pacificans so please pass the word to your fellow Pacificans about a meeting being held next Tuesday:

SFO AIRPORT NOISE PRESENTATION FOR PACIFICANS
JANUARY 5, 2016 AT 7:00 PM
PACIFICA CITY COUNCIL CHAMBERS
2212 BEACH BLVD. (2ND floor)

Cliff Lentz Mayor of Brisbane and SFO Airport Community Round Table chairman and Mayor of Brisbane has been invited by me to share his extensive research on Airport Noise in our area, and Kathleen Wentworth, a retired Airline Pilot working for Congresswoman Speier will also be joining us.

I have put together a Pacifica Airport Noise Posse. The Core Group has helped to pull this presentation together who will also be in attendance.

There are three resources to report aircraft noise:

1. LoudJet.net, a one click reporting tool that reports data to the SFO Community Round Table & FAA
<http://www.Loudjet.net>

2. SFO Community Roundtable Complaint Form that reports to the FAA:
<http://www.fllysfo.com/community-environment/noise-abatement/file-a-complaint>

*3. Complaint emails to the Federal Aviation Administration (FAA) Ombudsman at email: Noiseombudsman@faa.gov

This is a critical health issue that I take very seriously.

Public input and pressure will be extremely helpful to resolve this situation as soon as possible.

Happy New Year and See you January 5, 2016 at 7pm

Best wishes,

Sue Digre

Mayor of Pacifica

Council liaison to SFO Community Roundtable
