

TRANSIT FOR TOMORROW

Join Us In a Community Transit Forum to Improve Pacifica's Commute Options!

Frustrated with your commute options?

Did you know that commuting alone is Pacifica's biggest source of climate change-causing pollution? Want to find solutions that get you to work on time, save you money, and help our environment?

Come learn about and discuss possible transit solutions. Speakers from agencies such as SamTrans, Commute.org, and San Mateo County will present their views, and you will have an opportunity to ask questions and discuss your own ideas with your fellow Pacificans.

What: Meet to improve sustainable transit in Pacifica

Date: Thursday January 21, 2016

Time: 7-9pm

Where: Pacifica Community Center

Who: Co-sponsored by Pacifica Climate Committee and City of Pacifica

Featuring: Mayor Sue Digre, Council Member Karen Ervin, and speakers from SamTrans, San Mateo County Government, and Commute.org
