# August 25, 2014 FY 2014 Linda Mar Boulevard Pavement Rehabilitation Project

The FY 2014 Linda Mar Boulevard Pavement Rehabilitation Project will place 2" of asphalt overlay at Linda Mar Boulevard from the Linda Mar Shopping Center to Hermosa Drive.

The project started on August 11, 2014 with installation of wheelchair access ramps at various locations. The next phase consists of pavement grinding, base repair and asphalt overlay. This phase is tentatively scheduled for September 8 through September 17. During construction, delays are to be expected while traveling through Linda Mar Blvd. There will also be times when parking will be restricted within the project limit to allow construction crews full access to the roadway as well as for the safety of the public traffic passing through the work zone.

Barricades with "No Parking" signs will be placed 72 hours prior to the start of work and remain until the work is complete. Parking restrictions will only be from 8 a.m. until 5 p.m. Monday through Friday. Vehicles that delay or prevent the crews from completing the work will be towed at the owner's expense. Please help us ensure that the entire roadway is clear during these hours.

The City of Pacifica apologizes for any inconvenience this may cause. Thank you for your patience and cooperation while we work to improve the community for residents and visitors alike.
