PRESS RELEASE

Long Term Traffic Detour on State Route 1 to San Pedro Avenue

Beginning Friday, June 20, the California Department of Transportation (Caltrans) will detour traffic onto San Pedro Avenue from Route 1, south of Linda Mar Boulevard as part of the San Pedro Creek Bridge Replacement Project. This long term detour will allow construction crews to begin work in the creek and construct access to the creek. Pedestrians will have access along San Pedro Avenue facing the San Pedro Shopping Center.

Pedestrian traffic south of Linda Mar will not be allowed access east of the old bridge.

Southbound: Traffic will continue onto Route 1 by making a right turn onto San Pedro Avenue.

Northbound: Traffic coming from the Devil's Slide Tunnels will continue onto San Pedro Avenue and make a left at Linda Mar Boulevard to get back onto Route 1.

Changeable message signs are in place to help guide motorists through the detour.

This project is anticipated to be completed by October 2015 (weather permitting)

For more information, please visit the project website to be added to the group e-mail list at: <http://www.dot.ca.gov/dist4/projects/creek/> or contact Gidget Navarro, Caltrans Public Information Officer, at (510)286-5574.

The City of Pacifica and Caltrans appreciate roadway users' patience while work is performed to improve the highway.

Date: June 18, 2014
