Superior Court Quashes Lawsuit Against Library Bond Measure

Pacific, CA: Today, Judge George A. Miram of the San Mateo County Superior Court granted the City of Pacifica's motion to quash the suit filed by Anna Boothe related to City actions to place a library bond measure before the voters next month.

Specifically, the judge found that service on the City was defective and the Court lacked jurisdiction in this matter.

"We are pleased that the Court took quick action in our favor," said City Manager Lorie Tinfow, "and that the Council's decision to place the library bond measure before the voters stands."
