August 7, 2017

Dear Railroad Enthusiasts and History Buffs,

You and your colleagues are invited to attend a presentation hosted by the Pacifica Historical Society on Saturday, September 2, 2017, from 1 to 3 PM. John Schmale and Ray Wille, leading shortline railroad authorities, will discuss the fabled Ocean Shore Railroad, accompanied with visual displays from their extensive collection. The show will be held at the Pacifica Moose Lodge, 776 Bradford Way, which is a much larger venue than our own museum. Tickets are \$10 and are available from Brown Paper Tickets on our website (pacificahistory.org) or by calling Kathleen Manning at 650 359 5462. If seating is available, tickets will also be sold at the door.

In its brief 15 year history, the Ocean Shore faced incredible odds to open up the isolated San Mateo County coastline, and break the trail for what would eventually become Highway 1. Join us to hear and see this fascinating story.

Sincerely,
Paul Slavin
President,
Pacifica Historical Society
