Veterans Memorial Senior Center

1455 Madison Avenue

Redwood City

80%

of people say that, if seriously ill, they would want to talk to their doctor about end-of-life care.

ONLY 7%

of people report actually having had an end-of-life conversation with their doctor.

Obtain the latest information, have your questions answered, learn about scams that can occur and discuss legislation you are interested in hearing more about.

Seniors, their families & caregivers are welcome to attend this free seminar.
No Solicitations • Refreshments will be served
