

Public Workshop for City of Pacifica Sea Level Rise Planning

Public workshop details:

- **Date:** Tuesday, February 13, 2018
- **Time:** 6:00 to 8:00 p.m.
- **Location:** Pacifica City Council Chambers – 2212 Beach Blvd., 2nd Floor, Pacifica, CA

The City of Pacifica invites the public to participate in the first of three workshops focused on sea level rise adaptation planning and policy updates to the City's Draft Local Coastal Plan (LCP).

During the February 13th workshop, participants will:

- Receive an introduction and overview of the LCP planning process.
- Receive technical information about the LCP process, including the recently developed Draft Vulnerability Assessment.
- Have an opportunity to interact with City of Pacifica staff and consultants, and to ask questions, provide comments, and generally discuss sea-level rise adaptation in Pacifica.
- Provide input that will inform the development of sea level rise related policies for the LCP Update.

The workshop will start with a presentation and then transition into an open house style workshop.

For more information or requests for special accommodation, please visit: www.cityofpacifica.org/sealevelrise, email sealevelrise@ci.pacificaca.us, or call Bonny O'Connor, Assistant Planner at (650) 738-7341.

The City of Pacifica's LCP Update process is made possible by funding from the California Coastal Commission and California Coastal Conservancy.
