## FOR IMMEDIATE RELEASE

### Nighttime Closures of State Route 1 in Pacifica for Demolition Of Pedestrian Overcrossing

*Overnight Closures of Highway 1  
Saturday, March 2 – Wednesday, March 6*

**PACIFICA** - Caltrans will close both directions of State Route 1 in Pacifica between Clarendon Road and Paloma Avenue for five nights beginning Saturday, March 2, 2019, through Wednesday, March 6, 2019.

The closures will allow work crews to demolish the old San Jose Avenue pedestrian overcrossing and remove temporary support structures (falsework) from the new pedestrian overcrossing.

The San Jose pedestrian overcrossing will be replaced with a new pedestrian overcrossing currently being built 80-feet to the north of the old structure. Caltrans expects to complete the new overcrossing in late April 2019.

Caltrans will close the existing pedestrian overcrossing at 7:00 AM, Monday, February 25, 2019 in preparation for demolition.

A shuttle service will transport pedestrians across the freeway until the new overcrossing opens in late April. Pedestrians can call the shuttle from the shuttle stops located at each end of the pedestrian overcrossing. The shuttle will be available around the clock.

Caltrans will demolish the old pedestrian overcrossing on the night of Saturday, March 2, 2019. The work will be noisy, but it will be the only night of demolition work.

Overnight closures on Sunday, March 3 through Wednesday, March 6 will provide space for workers to disassemble the temporary support structures attached to the new pedestrian overcrossing.

# TRAFFIC ADVISORY

## Closure Schedule

### Sat. Mar. 2 -

Northbound: 8:00 PM - 8:00 AM

Southbound: 10:00 PM - 8:00 AM

### Sun. Mar. 3
