# PRESS RELEASE

**April 18, 2019**

## **SEWER COLLECTION SYSTEM PROJECTS ODDSTAD & TERRA NOVA**

FOR IMMEDIATE RELEASE (Pacifica, CA) – As of April 15<sup>th</sup>, the City’s contractor, Pacific Trenchless, Inc., has finished pulling new sewer pipes in the Park Pacifica neighborhood. As a result of this project, the neighborhood now has an increased sewer collection capacity using pipes made of an advanced material called high-density polyethylene (HDPE). Construction crews are working on rehabilitating the construction areas, including sealing manholes and restoring the road. Construction for this project is tentatively set to be completed in May 2019.

The City appreciates everyone’s patience and cooperation for any inconveniences caused by construction activities as we strive to improve human health and the environment in Pacifica. Please contact the Public Works Department at (650) 738-4660 if you have any questions or comments. Updated project information will also be posted on the City’s website at [www.cityofpacifica.org](http://www.cityofpacifica.org).
