

# ATTENTION

Based on recommendations from State and local health officials, the City is asking people to observe 6-foot “social distancing” until further notice.

In order to comply with this recommendation,  
**We have set a maximum counter servicing limit  
to two (2) people**

If there are already two people at the counter, please form a line outside until someone exits

To avoid possible outside wait times:

- Submit building permits online:  
<http://greenvue.csgengr.com/pacifica2/public/>
- Contact staff via email or phone to get information or schedule an appointment
