CIVIC CENTER CAMPUS IMPROVEMENT PROJECT UPDATE

COME JOIN US!!

The City of Pacifica is excited to embark on the Civic Center Campus Improvement Project to upgrade the City Hall campus and its buildings. Based upon the direction received from the City Council at the April 26, 2021 City Council Meeting and subsequent direction to proceed with Schematic Design at the end of June, the City is developing the design for site and facility improvements at the Civic Center Campus. The purpose of this meeting is to inform immediate neighbors with the current project scope, schedule, and design. The project includes interior and exterior renovation of City Hall (170 Santa Maria Avenue) and Planning and Parks, Beaches and Recreation Building (1800 Francisco Boulevard), as well as site improvements. The old Police facility on the site will be demolished.

The agenda will include:

- Project Overview
- Schedule
- Site Design
- Exterior Design
- Questions & Answers

We are inviting neighbors of the Pacifica Civic Center to this community event to provide an update on this project. This would be a great opportunity for you to provide staff with any comments. The meeting is scheduled for Wednesday, October 13, 2021 at 6:00 pm -7:30 pm.
