Skate Park Fence Repair Project

Starting August 10, 2020, the City's contractor, North American Fence & Railing, Inc., will begin the Skate Park Fence Repair Project. Barring any delays, work is expected to be completed by August 14, 2020. The skate park will be temporarily closed while repairs are being made.

The Skate Park Fence Repair Project will repair the existing fencing and install new gates.

The City has deemed this as an essential construction project as defined by the San Mateo County Shelter In Place Order as it is a public works infrastructure safety project.

The City appreciates everyone's patience and cooperation due to any inconveniences caused by the construction activities as we strive to improve the City's facilities. Please contact the Parks, Beaches and Recreation Department at (650) 738-7376 or the Public Works Department at (650) 738-3767 if you have any questions or comments.

Updated project information will also be posted on the City's website at www.cityofpacifica.org.
