

I AM WORKING FOR YOU AND WANT TO CONTINUE TO DO SO!

I am Sue Vaterlaus and I have lived in Fairmont/Westview District 1 since 1979 and raised 3 children. I am proud to have served you on the Pacifica City Council for 4 years and I was Mayor in 2019. The Fairmont/Westview has sometimes felt under represented but the city has recently worked to get street paving, disabled curb ramps, and additional sidewalks in the area that were much needed. I helped take the lead in requesting many changes for us. We are working now on the homeless and RV issues, affordable housing, sea level rise, traffic issues, transportation, and many important items that are impacting District 1 and the rest of Pacifica

I have served on many local Commissions and Committees including Planning, Economic Development, Finance, City Site Plan, Library Advisory and more. I am currently working on many County committees as the chair of Council of Cities, on the Boards of the City and County Association of Governments and the County Covid 19 RecoveryGroup.

I have also been endorsed by many county elected officials.

It will be an honor to serve you and represent the Fairmont/Westview Neighborhoods and thank you ahead for your vote.

**Sue
Vaterlaus**
